

LOLA KAY

WINE NOTES - 2016 SAUVIGNON BLANC - NAPA VALLEY

The 2016 LK SB is a fresh, crisp, no-oak expression of deliciousness. Bright and light flavors of ripe summer peach, fresh honeydew and flinty meyer lemon balance nicely with lovely aromas of white peach, and grapefruit zest.

Here at LK we endeavor to make consistently elegant wines. “Elegant” means wines that are honest, authentic expressions of place, with flavors and aromas that satisfy the palate without overpowering it with heavy alcohol or sugar. Elegant wines are made to complement good food.

Only **stainless steel** fermentation tanks were used to best display the wine’s elegant palette of flavors and aromas. One sip and you will see what we mean.

The splendid 2016 Napa Valley growing season gave the grapes a pronounced freshness and satisfying balance. Not too heavy, not too light. Just right.

SOURCE

The wine is sourced from handpicked estate vineyards in the heart of Napa Valley’s St Helena and Carneros regions. The area produces Sauvignon Blanc grapes with exceptional mineral and fruit character and sense of place - in keeping with our mission to make wines that are distinctively delicious.

Sauvignon Blanc is a delightfully versatile white wine, matching well with many foods and settings. Soft, creamy cheeses and dishes with herbs such as parsley, thyme, mint and rosemary make for a perfect pairing every time.

OUR MISSION: To make beautiful wines of great value from extraordinary sources.

ABOUT US: We are vintner Peter Rubissow and winemaker Timothy Milos. We live and work in Napa Valley, and are raising our families here. Peter has been growing fine wine grapes here with his family for generations. Tim is one of Napa’s hottest wine-makers and he and Pete seek out and explore the most remote, hidden-away private estates, ever-searching for the best grapes and wines. Together we created Lola Kay wines to bring you affordable, richly expressive wines from the finest vineyards.
